## Memorable Melody: 'Puppy Love'

"Oh, I guess they'll never know how a young heart, how it really feels, and why I love her so." Teen idol Paul Anka wrote those lyrics, inspired by his real-life romance with actress Annette Funicello. The tender ballad was released in February 1960. The 17-year-old celebs were told their relationship was just puppy love and to keep their feelings for each other under wraps to protect their careers. Twelve years later, another teen idol, Donny Osmond, released his version of the song, which became a gold record hit.

How many words can you come up with using the letters in "Super Bowl"?

## The Great Backyard Bird Count

Every February, bird-watchers around the world lend a helping wing to scientists by participating in the Great Backyard Bird Count, a four-day project organized by the Cornell Lab of Ornithology and the National Audubon Society. Learn more at [GBBC.BirdCount.org](http://GBBC.BirdCount.org).

## February 2025

### From the Director's Desk:

Happy LOVE month SCP Club Members,  
As we look into the things in life that reflect how we love one another, what are some of the things that YOU would like to hear from the people in your life that tell you how much you mean to them? Perhaps this month is the perfect time to ask those who matter most, what would you say about me when I am not around?

\* I hope they will say that I never hesitate to show how much I care, that they can count on me when they need someone there.

\* I hope they will say that I am loving and that I have an open heart and they still feel that love even when we are apart.

\* I hope they say that I'm loyal and always on their side and I'm ready to praise them to reward how hard they tried.

No matter what the response would be, I know without a doubt they know how much I love them because I always bring it OUT. Happy Valentine's Day SCP Club Members...

I'm Always Thinking of YOU,  
Helen
